

Membership Commitment Form

As a network of companies, we all subscribe to a code of ethics that makes referring each other a point of pride. Being able to offer our customers, friends, and neighbors skilled professionals they can trust, fills a very special part of our business goals.

OUR NETWORK CODE OF ETHICS

We agree to:

- Provide quality services.
- Truthful communication with our referrals.
- Build goodwill in the communities we serve.
- Take responsibility for following up on referrals received
- Live up to the ethical standards of our professions.
- Attend biweekly meetings.

When considering if you are a good fit for our network, you must be able to commit and abide by our code of ethics. Failure to meet our standards will result in loss of membership.

I fully understand the code of ethics above and promise to always uphold it to its fullest extent.
